    - (2) They shall not be required to participate on an emergency room roster other than that involved in their assigned work schedule.
  - (b) Should members of the emergency medicine department sever their relationship with the hospital's emergency room, their staff appointment will also be automatically terminated. Should they then wish to rejoin the staff in a different department, they shall make application as described in Article 5, and must meet the listed qualifications for that service.

B. For Joe DiMaggio Children's Hospital: The Medical Staff shall be organized into the following Clinical Departments:

(1) Medicine

The Department of Medicine shall include the following members: pediatrics, all medical subspecialties, emergency medicine, family practice, and radiology.

(a) All full-time emergency room physicians shall be subject to the same terms and conditions applicable to members of the Department of Emergency Medicine for Memorial Regional Hospital, as specified under Section 11.1 (A) (15)

(2) Surgery

The Department of Surgery shall be organized as a separate part of the Medical Staff and shall have a chairman or co-chairman who shall be responsible for the overall supervision of clinical work within his department.

C. Organization of Clinical Services: Each approved and authorized clinical section or sub-section shall perform the functions assigned to it by the department chairman. Such functions may include, without limitation, the continuous monitoring of patient care practices, continuing medical education programs, and credentials review and privileges delineation. The section shall transmit regular reports to the department chairman on the conduct of its assigned functions.
