Governor

Ana M. Viamonte Ros, M.D., MPH
State Surgeon General

The Broward County Health Department encourages all people in the priority groups to be vaccinated against H1N1 Influenza.

People in the high priority groups include:

- Pregnant women
- Health care and emergency medical personnel
- People who live with or care for infants younger than 6 months of age
- Anyone 6 months to 24 years of age, and
- Anyone 25 to 64 years of age who have medical conditions that put them at higher risk for influenza related complications
