

3-Bureau PreCheck (Fraud Alerts)

**Powerful credit features for enhanced security
against new account fraud**

Credit locks and freezes, while powerful, require activation at each of the three bureaus. Separately managing access to your credit report at each credit bureau can be a hassle and because of this, consumers may forego this important step.

Empower yourself with Equifax 3-Bureau PreCheck, a powerful tool designed to offer enhanced security against new account fraud. This exclusive feature from Equifax provides a robust protection for your credit, helping ensure greater peace of mind and better protection. With one-click, instant activation, you can place a fraud alert on your credit reports across all three credit bureaus, making it a vital asset in your financial security arsenal.

Key Features

One-Click, Instant Activation:

More seamlessly activate fraud protection with just a single click, helping streamline the process and promptly initiating security.
