Evernorth Behavioral Health, Inc., on behalf of your
Memorial Healthcare System Employer Plan

Dear Memorial Healthcare System Employee:

Welcome to your Evernorth Behavioral Health Care benefits program.

The mind is a powerful thing. So is the peace of mind in knowing you have support when you need it. That's what we're all about. If you or a loved one has been diagnosed with a behavioral health condition, we're here for you.

Our behavioral health advocates can work together with you and your family to:

- + Better understand a behavioral diagnosis
- + Identify and manage triggers that can affect a condition
- + Look for signs of depression, alcohol misuse and substance misuse
- + Learn about treatments and medications
- + Maximize health plan benefits
- + Find a health care provider or facility
- + Find nearby community resources and programs
- + Get referrals to other available Evernorth wellness and lifestyle programs
- + Coordinate services with providers, therapists or other treatment professionals, including coaching and support programs

Helpful literature is provided on well.evernorth.com. If you have any questions, please call a customer advocate at 888.736.7009 or visit well.evernorth.com. If you have a hearing or speech impairment and use Telecommunications Relay Services (TRS) or a Text Telephone (TTY), dial 711 to connect with a TRS operator.

Sincerely,
Your Evernorth Behavioral Health Team
