

## DIABETIC VISION BENEFIT

## Good vision care sees beyond eye health

Everyone should get an eye exam every year. But if you have diabetes, you may need more frequent eye care attention. With your vision benefits from **Humana Vision**, you have access to vision care and services that help you take control of your eye health and overall wellness.

### OUR DIABETIC VISION BENEFIT INCLUDES:

- Diabetic Eye Care: continuous care and testing for diabetic members with the same Optometrist provider
- Examination
  - Up to (2) services per year
- Retinal Imaging
  - Up to (2) services per year
- Extended Ophthalmoscopy
  - Up to (2) services per year
- Gonioscopy
  - Up to (2) services per year
- Scanning Laser
  - Up to (2) services per year
